ATHENS SHORT FILM FESTIVAL - WE BELIEVE IN THE POWER OF SHORT FILMS

Athens (March 14, 2018)

The first **Athens Short Film Festival** will take place **16th of June 2018** at Mikrokosmos cinema in the heart of Athens.

Filmmakers and enthusiasts from all over the world are invited to a night full of great independent short films.

Short films take a special place in the cinema universe. They are harder to access, and have difficulties reaching larger audiences, but their position outside of mainstream cinema and their length allows the filmmakers more experimentation and artistic freedom.

At Athens Short Film Festival, in collaboration with Mikrokosmos cinema, we aim to give a platform to documentary and fictional short films that are challenging our ideas of cinema and art and are telling a story worth watching.

We will announce more information the upcoming weeks on www.athensshortfilmfest.com
